## THE VARSITY.

ST. VIATEURS,—51 ST. JOE,—6.

The Varsity were completely out classed in their return game with St. Viateurs, last Wednesday owing to the fast and consistent work of their opponents.

We did not expect such an overwhelming defeat, although after the first game here with St. Viateurs the Varsity were somewhat anxious about the outcome of the game with them on their own floor. As it was, the defeat did not surprise us but the score was overwhelming.

### Senior League.

SENIORS — VS — II. LATINS.

Feb. 28. — The Seniors scored another victory when they defeated the II. Latins by the score of 21 to 13. The first period was rather exciting but in the second half the Seniors started to score more baskets and managed to keep a good lead on their opponents.

III. LATINS. — VS — I. COM.

March 2. — The III. Latins defeated the I. Com. by the score of 22 to 7. The first half was exciting the score showed a tie. In the second half the Latins by their close guarding and numerous field baskets completely outplayed their opponents. Reichert scored four field baskets, Beckman four, while Endres was responsible for all the points his team made.

II. COM. — VS — II. LATINS.

March 4. — After a roughly played game the II. Com. won from the II. Latins by the score of 19 to 31. Eleven fouls were called on the Latins whilst the Com. had fourteen marked against them. This took interest out of the game and it soon became playwork for the Com. to score at pleasure.

### Seniors vs III. Com.

March 5. — The Seniors drove the last spike in the pennant and clinched the high honors when in

their final contest they defeated the III. Com. by the score of 29 to 11. The Seniors had the advantage of an early lead in points and never left their opponents any great chance for "nosing" out a victory. Pass work of the Seniors and the playing of Osterloh featured the game. Stepp was on the Senior line up and certainly made a commendable showing even beyond the expectation of the many good "side line" critics.

### Academic League.

EAGELS — VS — MAROONS.

Feb. 26. — By far the most exciting game of the season in the Academic League occurred when the Maroons defeated their opponents by one single point 17 to 16. The game was exciting from the very start and continued throughout the whole game. Beckman's three field baskets and Petzold's four baskets were the features of the game.

SHAMROCKS — VS — TIGERS.

Feb. 27. — The Tigers forced the Shamrocks to defeat by the score 17 to 12. The Tigers gained an early lead on their opponents and always managed to stay clear off the tie mark. The features of the game was the pass work of Kirchen and Pessefall.

TIGERS — VS — MAROONS.

March 1. — The Maroons found it no difficult task after the first half to score field baskets and they did this at pleasure. The first half showed a tie score, but at the end of the second period the Maroons had 35 points to their credit while the opponents had only 22.

### Junior League.

BLUE BELLS — VS — IMPERIALS.

Feb. 25. — Only after a very exciting contest did the Blue Bells

manage to defeat the Imperials by the score of 20 to 15. Lambert and Maloney were the stars of the game. The former scoring eight field baskets and the latter four.

CARDINALS — VS — LAURELS.

March 6. — One of the best contested games of the season was played today and resulted in a victory for the Cardinals. To say the least the game was exciting and both teams fought to gain the victory and at the same time to keep their much coveted percentage. But — fortune seemed to favor the Cardinals and they won by the score of 19 to 12.

LAURELS — VS — IMPERIALS.

Feb. 27. — The Laurels showed their real class and ability when they defeated the Imperials. Farrel was the "star" of the game for he scored ten of the 15 points for his team. The Imperials did not make a point throughout the second half. The final count was: Laurels, 15; Imperials, 6.

LAURELS — VS — BLUE BELLS.

March 4. — The Laurels added another victory to their long list when they easily defeated the Blue Bells. Kozaick with his 10 field baskets and Tiffin with his 5 were the features of the game. The score was: Laurels 31, Blue Bells, 18.

CARDINAL — VS — IMPERIALS.

March 4. — The Imperials and Cardinals played a very interesting game, the latter team winning by the score of 17 to 12. The Imperials led by two points at the end of the first half, but during the second period the Cardinals started a rally, overcame the lead and won the contest. Cavanaugh and Schmitz featured.

Entered as first class matter  
at Collegeville P. O., Ind.

### EDITORIAL.

THE SENIORS have played their last game, and are now resting quietly with the laurels of victory encircling their brows. They have captured for the first time since 1907 the trophies of battle for the Latins, and hurled the Commercials with their old time "star" down in the gloom of defeat. The Commercials, however, met this defeat like men and surrendered up the pennant without a murmur. They left it to the Latins themselves to "knock," and it was, indeed, very far from gratifying to note the number of Latins who proved traitors to their own cause, and joined the ranks of the opposing rooters. We deeply deplore this total lack of old time loyalty, that has been up to this time so marked a feature of all our College contests. Boys there is something wrong. You expect your teams to win, while all the time you are "knocking" and rooting against them. If any team deserved the pennant it was the Seniors, for they were in the game from the very first until the last great shout went up, as the time-keepers whistle blew and the big fight was over. We have seen them in the game with sprained ankles, sick, and otherwise disabled, but they played without complaints, and their perseverance has been rewarded.

### LOCALS.

Becker—What's an Optimist?

Brown—A doctor who treats the eyes.

Yes "Stepp got started," and he showed a few of ye knockers how to play.

„What is life without a hale," Skeets.

The first rehearsal of the chorus for the Minstrel was far above our highest expectations. The Minstrel will, beyond doubt, be the hit of the season. All must be prompt at practice.

Isenhardt—"Say what in the 'duoce' is a co-educational school"

Brown—"A school were they teach all branches."

Malady would like to know what relation he is to his father's only son.

Happy—Say Dutch do you think you will ever amount to much.

Dutch Barth—That is none of your business.

### Dormitory Chorus.

"Quit your snorin," someone yelled out.  
"Its not I" old Rol replied.  
"What d' you call it, then from Duffy,  
"Come now, tie that calf outside"

Gloomy G.... joined in the chorus  
With his range from F to G  
And we thought we heard him singing  
"Twas a nickel back, you see."

Then old Socks with notes sonorous  
Just like when he sings, began;  
Now Calm Cy became excited  
"That's too much for any man."

Quit boys! quit boys! pleaded Aman:  
But the chorus still went on,  
"Shorty" was consoled in thinking;  
"Twill be over with the dawn,"

Join the chorus: join the chorus!  
Forty-seven sang in snore.  
In a second, all was calmness.  
Why?—There stood (Phe. B....) at the  
door. H. S. G.
